

## MISSION, VISION, & PURPOSE

Sigma Health Consulting, LLC (Sigma) is a science, technology, and management advisory consulting company founded in 2010. We are a woman, veteran-owned small business (WOSB, VOSB) whose leadership has over 30 years of experience in the public and private sectors, including VA, DoD and HHS, as well as academic, philanthropic, and commercial organizations.

Sigma is recognized for our company's integrity, excellence, agility, and client commitment. We continuously create mission-oriented solutions for our clients' complex challenges. By leveraging our core functional areas and capabilities, we support and lead initiatives across industries including healthcare operations, technology, mortgage, healthcare research, enterprise risk management, corporate compliance, and fraud, waste, and abuse.
